CONFEDERATE DAUGHTERS.

The closing session of the sixth anqual convention of the Virginia Division of the United Daughters of the stock on Wednesday morning, was held at the Methodist Episcopal Church South there Thursday night.

A resolution was adopted calling o the various chapters to make annual contributions toward defraying the expenses of the State president to the General Convention of the United Daughters. The invitation from the Seventeenih Virginia Regiment Chapter of Alexandria, was extended for the next annual convention. The invitation was accepted and October 11, 1901,

will be the time.

An urgent appeal was made by the president, Mrs. Leigh, for the chapters o make donations to the Jefferson Davis monument fund.

The election of officers for the division resulted as follows: For president, Mrs. James Y. Leigh, of Portsmouth re-electee; vice-president, Mrs. Emmeri Crump, of Norfolk; recording secretary Mrs. J. E. Alexander, of Alexanders; corresponding secretary, Mrs. Alether Serpell, of Portsmouth; treasurer, Mrs. W. C. N. Merchant, of Chatham, relected; historian, Mrs. J. R. Atwood. of Appomatox.

The committee to compile and publish minutes of the convention is com-posed of Mrs. J. W. Magruder, Miss Nannie W. Williams and Mrs. George W. Miley, all of Woodstock.

On account of having raised the largest amount of money in proportion to the membership the Black Horse Chapter, of Warrenton, was declared he banner chapter for the coming year After the business session George W. ST. ANDREW'S BROTHERHOOD. The Brotherhood of St. Andrew in the United States at their meeting in Richmond yesterday recommended that the body hold its next meeting a Detroit about the 15th of July.

Nearly 10,000 men assembled at St Paul's Church at 7 o'clock yesterdsy morning to attend the corporate communion. Bishop A. Gibson, of Virginia, was the celebrant, and he was assisted by Rev. Landon R. Mason and Preston Nash, of Richmond; Clifton Macon, of San Francisco, and J. Lambert Reese, of Shanghai, China, The service was most impressive and

solemn. About 400 persons were in attendance upon the session of the convention. Mr. Sturgis, of New York, presided and the morning was devoted to the consideration of business matters. Reports were submitted by the committee on the Junior Department Bible Class lessons, work in the army and rule of the service. Considerable interest is shown in the latter report, which recommended that the restatement of the rule of service be not prese-ed at this time. The report was adopted.

The report of the committee on rule of service provoked the most interesting debate of the gathering. The unfavorable recommendations from England regarding a change were met by a favorable recommendation from the committee, but there was a failure to make specific recommendations or offer suggestions as to the extent or manner of change. A little excitement was precipitated by this report and confusion as to the motions before the convention, but this was adjusted by the adoption of a motion setting it as a special order for the first subject in convention today.

At the afternoon session three colored men attended. These were the first of that race to participate in these meetings. ing debate of the gathering. The unfavorable recommendations from England regarding a change were met by a

QUESTION ANSWERED.

Yes, August Flower still bas the largest sale of any medicine in the civi-lized world. Your mothers and grands mothers never thought of using anything else for Indigestion or Bilious ness. Doctors were scarce, and they seldom heard of Appendictis, Nervous Prostration or Heart failure, etc. They used August Flower to clean out the system and stop fermentation of undi-gested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by Ernest L. Allen, Claud M. James Reed Injured.

Mr. James Reed struck his leg against s cake of ice in such a manner as to severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of liniment and two and a half gallons of whisky in bathing it, but nothing gave any relief until he began using Cham-berlain's Pain Balm. This brought almost a complete cure in a week's time Con'ederacy, which convened at Wood- and he believes that had he not used this remedy his leg would have had to be amputated. Mr. Reed is one of the leading merchants of Clay Court House, W. Vs. Pain Balm is unequaled for sprains, bruises and rheumatism. For ale by all druggists.
